Exemption from Cost Report Filing Requirement

Ambulance companies that earned \$100,000.00 or less net revenue, as identified by MassHealth, for serving MassHealth members in a given fiscal year may apply for an exemption from the filing requirements specified in Section 27.04.

Any company that believes that it meets this criterion should notify the Division of its request for exemption thirty days before the due date of the required filing for each applicable year. The Division will advise the company that its request has been granted or will instruct the agency to file within thirty days of notification if the exemption is not granted.
